

2015 was a year full of many blessings! It began with a trip to the Virgin Islands in January with the Husby family. Then in March we visited the Trost family in Orlando, FL and went to Harry Potter World where Joe fell in love with the butterbeer! Lots of wedding planning occurred, and it was fun spending time with family and friends at the bridal showers. We were married on September 26th by Joe's grandfather on a beautiful fall day, surrounded by those we love. A few days later we were off to Hawaii for 3 weeks! We spent time on Oahu, Kauai, Maui, and the Big Island and enjoyed many fun activities. One of the highlights was the open-door helicopter tour in Kauai, which gave us gorgeous views of the Napali Coast. The Dole Plantation's pineapple ice cream on Oahu was delicious; we went multiple times! And swimming with dolphins on the Big Island was a once-in-a-lifetime experience we will never forget!

Wishing you a blessed and Merry Christmas,

Joseph & Katy
